SPEAKER OVERVIEW

CHRIS ROZMAN

Chris Rozman is the Chief of Police at Michigan State University and has been with the department since 2001. Rozman has served in a variety of roles including patrol, field training officer, K9 handler, detective and detective sergeant, patrol sergeant and lieutenant, Investigative Division Captain, Public Information Officer, and most recently Interim Deputy Chief of Police overseeing all field operations, patrol services, and community engagement.

RYAN DOYLE

Ryan Doyle oversees the Support Services Bureau, which is comprised of the MSU DPPS Emergency Management, Fire and Life Safety, Property and Evidence, and Records and Analysis Units. He has more than 20 years of experience successfully identifying and implementing various technologies in a higher education environment.

NATISHA FOSTER

Natisha Foster has been working at Michigan State University since 2007. Since 2014, Natisha has been personally and professionally involved in emergency management, serving as a lead in the planning and implementation of COVID-19 policies and procedures, including quarantine and isolation housing for on-campus residents. Natisha transitioned to the MSU Department of Police and Public Safety as their Emergency Manager in June 2023.

READ HAYES

Read Hayes, PhD is a Research Scientist/Criminologist at the University of Florida, and Director of the Loss Prevention Research Council (LPRC). Dr. Hayes has authored 4 books and over 300 articles. rrhayes@ufl.edu, read@presearch.org; website: presearch.org

HAL GRIEB

Hal (Hal) Grieb is the Community Lifeline Status System (CLSS) Project Manager with the Department of Homeland Security. Hal spent numerous years as a County Emergency Management director in both Jefferson County, Colorado and Alachua County, Florida.

MATTHEW SHPINER

Matthew Shpiner is the Executive Director of Emergency Management for the University of Miami Office of Emergency Management and has been with the University since 2011. Mr. Shpiner led University preparation and response for numerous events; additionally, he oversees an 11-person access control operations and projects team.

TIMOTHY FLYNN

Timothy Flynn is a seasoned law enforcement professional with an illustrious career spanning over 25 years in public service. As a Sergeant at the Northeastern University PD, Timothy continues the department's mission of ensuring public safety and fostering community engagement. He is renowned for his expertise in Behavior Detection training, Firearms Training, and Tactical Training, underscoring his commitment to ongoing learning and professional growth.

CHARLIE HUSSEY

Charlie Hussey has been a full-time member of the Southeastern Conference staff since 2000, and currently serves as the league's Deputy Commissioner and Chief Operating Officer. In his present position, Hussey serves as the liaison to the SEC Athletics Directors and is responsible for the day-to-day operations of the SEC Office. He oversees the Conference's media agreements with ESPN and the SEC Network, where he is responsible for matters related to broadcast and sponsorship.

MEGGEN SIXBEY

Dr. Meggen Tucker Sixbey is the Assistant Director at the University of Florida's Police Department, overseeing the Behavioral Services Division. Dr. Sixbey has served on the University's multidisciplinary threat assessment team since 2011. With a background in crisis intervention and suicide prevention, she has provided local, state and national trainings related to threat assessment, suicide prevention and intervention, psychological first aid, and assisting with traumatic events.

SPONSOR OVERVIEW

JOE SOUZA

Joe is a seasoned security professional with over 30 years of experience in security leadership, strategic planning, risk management, business continuity, and crisis/emergency management. He is currently Vice President of Sales at Serverli, a trusted partner for enterprise physical security solutions. In this role, he leverages his security system expertise and industry knowledge to deliver value-added and cost-effective solutions to his clients, while ensuring compliance with regulatory and industry standards.

ELI ROSENBERG

Eli Rosenberg is a seasoned security, surveillance, and IoT professional who boasts over two decades of industry experience, earning recognition for a natural aptitude in strategic planning and process improvement. Eli demonstrates proficiency in enterprise application architecture, e-commerce, license plate recognition, IP camera monitoring, data analytics, incident management, risk mitigation, and disaster recovery at Serverli.

PATRICK WELSH

Patrick is the General Manager for the Americas region at Oosto, where he leverages his sales leadership and functional expertise to drive revenue growth and manage a high-performance team. As an enterprise leader with over 25 years of experience in startups and multinational technology companies, Patrick is responsible for formulating and executing the sales strategy in the Americas.

DENNIS SWEET

Dennis Sweet is a public safety and technology expert and currently serves as Oosto's Head of Public Safety, where he solves complex security challenges in government, retail, and education sectors using cutting-edge facial recognition and Vision AI. Before joining Oosto and FARO technologies, Dennis served more than two decades in law enforcement, working in narcotics, special investigations, dignitary protection, and public administration.

SIMON MORGAN

Simon Morgan is the Chief Product and Marketing Officer and one of the founders of SureView Systems, an independent provider of software that improves the ability of security command centers (SOCs) to manage and respond to events. He has over 30 years of experience working within a diverse set of roles including management, marketing, sales, IT, and software development.

KASEY TEIMOURI

Kasey Teimouri is a seasoned architect whose career has spanned over 30 years. As a Principal, he has led the design and development of impactful community projects for Schenkel Shultz throughout Florida. His portfolio ranges from commercial and educational projects to civic and public safety work. Most recently, he served as the Project Manager for the University of Florida's new Public Safety Building, which stands as a beacon of safety and security and houses the police and emergency department functions on campus.

EKTA DESAI

Ekta is the Design Lead and a Partner at Schenkel Shultz, an award-winning architecture and interior design studio headquartered in Orlando, Florida. In addition to serving as the Design Lead for the University of Florida's Public Safety Building, Ekta's expertise includes the new Police Department for the City of North Port, the Orlando Economic Partnership's new headquarters and the Porter Center for Innovation & Academics at Lake Highland Preparatory School.

STEVE JONES

Steve Jones serves as global chairman and CEO of Allied Universal - the world's leading security and facility services provider and trusted partner to more than 400 of the FORTUNE 500. Jones joined Universal Protection Services in 1998 and, through organic growth and mergers and acquisitions, grew the \$12-million business into Allied Universal with annual revenue of approximately \$20 billion.
