Helmet Safety

- In the state of Florida, children under 16 years of age are legally required to wear a bicycle helmet. However, we strongly encourage that all cyclists, motorcyclists, and scooter drivers wear one anyway, regardless of age. Wearing a helmet could mean the difference between life and death.
- The UFPD Community Services Division is committed to promoting helmet safety. To inquire about our free bicycle and scooter helmet program, please give us a call at 352-392-1409 or come by our office Monday-Friday from 8 AM to 5 PM.

Motorcycles and Scooters

Motorcycles and scooters are both vehicles that are powered by a motor.

- Drivers of these vehicles must obey the same laws on the road as other vehicles.
- Drivers may not wear headphones unless using them to talk on a cellphone (only one ear allowed).
- Drivers of these vehicles must yield to all pedestrians in crosswalks.
- These vehicles may not be driven on the sidewalk or in bike lanes.
- They may not park on the sidewalk or bicycle racks - only vehicles that can be pedaled by foot may be parked at bicycle racks.
- A permit to park a scooter or motorcycle in specially designated campus motorcycle spaces must be obtained from UF Parking Services.
- No person shall operate a motorcycle or moped while carrying any package, bundle, or other article which prevents the person from keeping both hands on the handlebars.
- No operator shall carry any person, nor shall any person ride, in a position that will interfere with the operation or control of the

motorcycle or moped or the view of the operator.

Requirements for Motorcycles & Scooters Over 50cc

- A motorcycle endorsement is required to drive one.
- Completion of a motorcycle safety course for drivers under 21.
- A helmet is required unless you are over 21 and meet specific insurance requirements -- minimum of a \$10,000 insurance policy.
- The driver must wear eye protection. Goggles, face shields, eyeglasses, and sunglasses are acceptable. Contact lenses do not qualify.

Requirements for Motorcycles & Scooters 50cc & Under

- Only a regular driver license is necessary. A motorcycle license is not necessary.
- No helmet or eye protection is required for drivers over the age of 16 unless the motorcycle or scooter has more than 2bhp and can travel more than 30mph on floor-level ground.

Skateboards

All types of skates and skateboards are only allowed on sidewalks and in crosswalks, never on the roadway or in a bike lane!

- No driver license is required.
- Skates and skateboards may not be used in campus buildings or in the courtyards or colonnades of campus buildings (for example at the Architecture building or the Reitz Union).
- They may not be used in parking garages or parking lots.
- It is not permitted to skate on or perform skating tricks and stunts using campus structures such as benches, poles, handrails, planters, or walls.
- Skaters must yield to all pedestrians on foot.
- Helmets are not required.
